Section 7 Evaluation and Improvement of Course Implementation

1. Strategy for Course Effectiveness Evaluation by Students

- Mid-trimester feedback that are anonymous from students
- Formal student evaluations

2. Strategy for Teaching Evaluation

- Peer observation
- Talking to and sharing with peers teaching methods

3. Teaching Improvement

- Teaching logs to record teaching
- Feedbacks from students
- Dialogue with peers
- Updating teaching methods through attending conferences or seminar

4. Verification of Standard of Learning Outcome for the Course

- Comments from students on learning outcomes and evaluation criteria
- Formative feedbacks to students' project and papers are clearly explained and commuted to students
- Comments from students on feedbacks

5. Revision Process and Improvement Plan for Course Effectiveness

- Data from classroom observers
- Executive Board Meeting to review and improve the course
- Workshops for teaching improvement
